Subscriptions are invoiced in May for the next Club Year June 1st to May 31st.

Members can pay their subscription in full or choose to pay over ten months by Standing Order. Where a new member has chosen to pay their Entry Fee (where charged) over 5 or 10 years (Intermediate members only) this and the Development Levy are included on the annual invoice.

The Development Levy is charged to all members who didn't donate or lend the club money to fund the recent clubhouse refurbishment. It is applicable to all new members and will be charged until 2022.

New members whose membership commences after the 31<sup>st</sup> of May in any year will be charged a Subscription pro-rated to reflect the date of joining for their first year.

Any new member who fails to pay his/her Entry Fee and Subscription, or instalment thereof within one month of the invoice date renders their membership null and void.
